## CLOSEOUT SALE

We have a small quantity of the following items in inventory that are being offered at cost. These are fantastic ski waxes with older STAR graphics. ( Most retail stores want the latest graphics, but the bottom of your skis don't really care.) Since the quantity in inventory of each item is small, you can call our toll free number 1-877 V2 Jenex ( 1-877 825-3639 ) to find out if the item you are looking for is still available.
